Emanuel's Southern Antidote, A Remedy for Cholera, Cholera Morbus, Diarrhwa, Summer Complaint of Chil-dren, and Dysentery.

Prepared by M. EMANUEL, M. D.,

PREVENTION BETTER THAN CURE." LITTLE consideration will strongly imsaying. It often happens, from slight causes, that derangement of the bowels is produced, which if neglected, may have a serious end. Cholera is still lingering in the Valley of the Mississippi, mysteriously appearing on steam-boats, plantations and in towns, committing the most frightful ravages, and then passing away, to reappear at some other place. When it attacks, its rapid progress is such, that the loss of a few hours is often the loss of life; in numberless cases, by the the time a physician can reach the patient, his skill will be unavailing. These considerations have induced the preparer
